TELEGRAPHIC ADDRESS:
'GOMED'

GOVERNMENT OF MYSORE
ELECTRICAL DEPARTMENT

OFFICE OF THE CHIEF ELECTRICAL ENGINEER,
Bangalore, 4/5 February 1947.
(MYSORE, S. INDIA.)

The Secretary to Government,
Electrical Department,
BANGALORE.

Sir,

Subject:- Gollar for Siddlaghatta sub-section.

I have the honour to state that each Sub-sectional office of this Department, where there is an Accounts Clerk and Store-keeper, has been provided with a Gollar in grade Rs.12-1-18 in the Re-organisation to attend to Treasury work and to assist the Accounts Clerk in clerical work. But Siddlaghatta sub-section has not been provided with a Gollar, as there was no separate Accounts Clerk for that sub-section in September 1943 when the revised proposals for Re-organisation were submitted to Government in my letter No.6360 dated 24-9-1943. However, it is now reported that the services of a Gollar are quite necessary in the sub-section, as the work of remitting money (Revenue collections) to the local Taluk Treasury has to be attended to on all the days of a month, there being no other responsible official in the sub-section to be entrusted with the work. The average monthly collection is reported to be about Rs.1,300/-. Added to this all the clerical work in the Sub-section is being attended to by the Accounts Clerk and some help is found necessary for him in order that he may be able to devote greater care and attention for maintenance of the Revenue and Stores accounts in a correct and complete condition.

Under the circumstances I would request you kindly to obtain sanction of Government for the appointment of a Gollar in grade Rs.12-1-18 for Siddlaghatta sub-section (Chickballapur Power and Lighting section), the average recurring extra cost of Rs.197/- (16-2/5 p.m.) per annum being suitably provided for in the Revised Estimate for 1946-47 and Budget Estimate for 1947-48 and future years under the head "XXV-A. Hydro-Electric Works - 1.Power - Net Receipts - Working Expenses - iv, Distribution - 8.Chickballapur Power and

P.T.O.

Lighting Section - 2. Establishment".

A verified proposition statement (in duplicate) is herein enclosed for the information of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer.
